OBITUARY.

Be still prepared for death and death or life shall thereby be the sweeter.—Shakespeare.

Died at her home on Desota street, Los Angeles, Cal., Mrs. Flora Grey Leonard, wife of the late H. F. Leonard, formerly of Yale, of pneumonia after an illness of only five days. Mrs. Leonard was in her usual health until Monday night, April 22, when she was taken suddenly ill, and although some of the most prominent physicians of the city were called in and everything possible done, she gradually grew worse and the end came as above stated. But one child, Fred, is left to mourn the loss of an affectionate mother.

The funeral was held April 30th from the Boyle Heights Episcopal church and interment made in Boyle Heights cemetery. There were twenty-five former Yale people at the funeral.

Joseph C. Brown, aged 61 years, the oldest Pere Marquette conductor, died suddenly at the Harrington hotel in Port Huron Saturday afternoon. Conductor Brown began his career in 1875, and in 1878 took the first passenger train out on the road. He is survived by a widow and 3 children. The remains were taken to Saginaw Sunday.

Died in Greenwood township on Tuesday, May 7th, 1907, John Freeman aged 60 years. The funeral will be held today, Friday, from the Evangelical church at 10 o'clock a. m. Interment in Spring Hill cemetery.

Little Ethel Irene Groat aged 1 month and 23 days died May 6th, 1907, at the home of her parents in Speaker township from suffocation. The burial took place the following day at the Melvin cemetery.

MAY WEDDINGS.

A quiet wedding took place Thursday evening, May 2, 1907, at 8 o'clock at the home of Mr. and Mrs. Jacob Vondermuhl, 138 Chandler avenue, Pontiac, Mich., when Miss Cynthia L. Weese, of Lynn, was united in marriage to Mr. William E. Menerey, of Brockway. Rev. G. W. Jennings of the Methodist church performed the ceremony. Mr. and Mrs. Menerey will be at home to their friends in Brockway township, after July 1st. The Expositor joins with a host of warm friends in wishing the happy couple everything that is good in life.

BLUE RIBBON MEETING

Will Be Held in Detroit July 22 to 26 inclusive.

To the many thousands who have been in the habit of making an annual pilgrimage to Detroit during the last part of July no news could have been more welcome than the official announcement that Blue Ribbon week will be restored at the Grosse Pointe track, Detroit's magnificent racing plant. Conditions made the 1906 meeting an impossibility and the loss was all Detroit's and Michigan's, the Blue Ribbon meeting having grown to be regarded as the sporting event pre-eminent in the northern states.

Even now a number of fast harness horses are at work on the track and in various parts of the country hundreds of others are being pointed toward the rich events that will be decided at Grosse Pointe July 22 to 26. Of greatest interest is the \$10,000 Merchants' and Manufacturers' Stake for green trotters, the oldest and greatest classic of the turf. There is no event which the breeders and trainers so desire to win as the M. & M., and while other renewals have been uncertain at such an early period as this, the 1907 race promises to be the banner one of them all. There are twenty-six eligibles and in this lot a majority have shown the ability to trot in 2:10 or better, so that with luck and good weather there is a reasonable chance that the time honored record for the event (2:08 1/2) by Eleata in 1901 will be relegated to the pages of turf history.

The splendid list of entries for the M. & M., foretells a wonderful season of light harness racing. The other stakes which will be part of the Blue Ribbon meeting compare favorably with the main attraction. The famous Chamber of Commerce for pacers has sixteen in its list, while there are sixteen in the Horseman and Spirit of the Times stake for 2:34 trotters. Then there will be twelve class races which will round out the programme for five days.

Customary excursion rates are expected on the transportation lines and Detroit expects to again enjoy the gala Blue Ribbon week, the brightest spot in the summer outing.

Does Your Heart Beat

Yes. 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Potent substances are then absorbed into the blood, instead of being removed from the body daily as nature intended. Keep the bowels open with Ayer's Pills, liver pills. All vegetable.
